

The Deco Collection

The vintage vibe has passed from clothes to interiors and mirrored furniture, which has been chic since the 30s, is the height of fashion once more. Byron & Byron's new collection of mirrored 'polmets', the **Deco Collection**, will fit in perfectly with this look.

The polmets in the **Deco Collection** are like curtain poles because they hang on brackets, but are fitted with track, like pelmets. By taking curtain rings out of the equation Byron & Byron have created a look that is much more streamlined and contemporary in feel.

The **Deco Collection** of polmets comes in a silver, fumé or bronze bevelled mirror finish or in an anthracite bevelled glass finish, and is offered in a 50mm width. To accompany this, the brackets and 'end caps' (which are too discreet and modern in look to be called finials) come in polished brass, antiqued brass, chrome or black.

The **Deco Collection** is available from September 2005. The recommended retail price for a polmet with two brackets and two end caps starts from £ 298. Please telephone Byron & Byron on 020 8344 7979 for stockist details.
