

## **The Skin Collection**

Leather has been used to cover everything from floors to sofas. In September, when Byron & Byron launch the **Skin Collection**, their new collection of 'polmets' covered in leather or ponyskin, it will be found in people's windows.

The polmets in the **Skin Collection** are like curtain poles because they hang on brackets, but are fitted with track, like pelmets. By taking curtain rings out of the equation Byron & Byron have created a look that is much more streamlined and contemporary in feel.

The **Skin Collection** comes in cream, chocolate, and liquorice coloured leather and also in ponyskin, and is offered in a 50mm width. To accompany this, the brackets and 'end caps' (which are too discreet and modern in look to be called finials) come in polished brass, antiqued brass, chrome or matt black.

The **Skin Collection** is available from September 2005. The recommended retail price for a polmet with two brackets and two end caps starts from £ 258. Please telephone Byron & Byron on 020 8344 7979 for stockist details.
