

The Splash Collection

The organic shapes which figure in Byron & Byron's new range of 'polmets', the **Splash Collection**, will appeal to everyone who yearns for a more exuberant look in interiors. "We call them polmets because they hang on brackets, like curtain poles, but are fitted with track, like pelmets," says Orazio Gualtieri of Byron & Byron.

"The polmets are our response to the need for a pared down but nonetheless decorative look. By taking curtain rings out of the equation we have created a look that is much less cluttered and more contemporary in feel."

The **Splash Collection** of polmets comes in a range of colours: azure, pink, sand and grey. The mother-of-pearl and wooden organic shapes are set as high quality wooden inlay in a 35 mm-wide wooden background. To accompany this, the brackets and 'end caps' (which are too discreet and modern in look to be called finials) come in polished brass, antiqued brass, chrome, cream or black.

The **Splash Collection** is available from September 2005. The recommended retail price for a polmet with two brackets and two end caps starts from £ 218. Please telephone 020 8344 7979 for stockist details.
